

CATEGORY 10 — ENTRY FORM EXCELLENCE IN STRATEGIC INVESTMENT OR ASSET MANAGEMENT

Public finance professionals need to think strategically about their investments and asset management for the long term, while balancing short-term challenges. This award will recognise the achievement of an individual or organisation that has delivered innovation and excellence in the field of strategic investment and/or asset management. They will have added strategic and financial value to medium or long term organisational planning, and ensured that asset management contributes to effective balance sheet management. The winner will demonstrate the ability to work highly effectively and accessibly across organisations.

Entrants should demonstrate:

- Effective and accessible asset management performance and risk reporting to the organisation
- Excellence in managing or directing strategic investment for the benefit of the organisation and its stakeholders.
- Evidence of working effectively with cross-organisation stakeholders to influence success of the business.

Supporting evidence may include:

- Documented illustrations of success, financial reports

Entrant details

Name of organisation where the project or work for which the individual or team is being nominated took place.

Name of the nominee(s) (This may be a team or individual)
